Appendix No. XII.

Messrs. Abraham & Co. 19th June 1877 Folio 818

Dear Sirs, It has been brought prominently to my notice that your two drafts for Rs. 3000 and Rs. 2872-9-2 have not at your request been forwarded to Madras as they ought to have been and the Oriental Bank Ltd: shews a deficit these two amounts. I beg that you will at once settle those two notes as I shall certainly despatch them to Madras tomorrow whatever may be the Consequence

My dear Mr. Abraham, 11th August 18[illegible] Folio 819

I have to acquaint you that the Cash keeper has returned dishonored his order for Rs. 3220 payable to Messrs Jaffer & Co. which will cause a searching enquiry into the Cause of such transactions and the result may prove very disastrous not only to you but to the Bank likewise. I earnestly beg that you will not sanction such Proceedings as there is not the very least doubt as to the ultimate result of all such transactions. Please do not forget that you are to take up the large sum for which I have dishonored notes or have them sent into proper shape tomorrow.

Dear Sir, The enclosed letter of date 5th inst. I had forwarded to you this Post but was prevented by Mr. H. M. Abra

to apply to the Post Master to have it returned as he promised to settle the whole of the dishonored Cheques in a day or two. I have
like three of these Cheques dated 25th & 31st May and 29th June Amounting in the Aggregate to Rs. 887/- 9- 2 which have not been
taken up. I am quite alarmed at what the Consequences may be to the Bank as well as to your name. I have remonstrated very
much with Mr. Abraham but unfortunately without any good effect The Directors are giving me much unnecessary trouble at present and
it is just possible that a minute examination of the Accounts may take place suddenly and the Consequences would then be serious. I
am very sorry indeed to be the medium of such bad news to you but beg most earnestly that you will not delay a day before Cause
these Cheques Bond and Discount loan to be settled and you will much oblige me. I shall write no more at present and am really
sorry to have had occasion to write so much already.

Messrs: Abraham & Co. 29th August 1877 Folio 233

Dear Sirs, I beg most earnestly that you will pay some attention to my several letters relating to Bonds, Government Securities and
dishonored Cheques. It is most dangerous to allow these different accounts to remain in their present state one day longer

Sirs, Notwithstanding my very urgent applications to you for a settlement of your dishonored Cheques &c &c showing

the imminent danger of them not being settled at once there would not appear to be the least response. I beg again to remind you of the non settlement of these Cheques and other documents and to call on you for immediate settlement as on the event of non-payment I shall ask the Pleaders to call on you for a settlement of all the documents which will be very damaging to the solvency of your Firm.

A. Abraham Esq: 12th September 1877. Folio 433.

Dear Sir, I have repeatedly written to Mr. J. N. Abraham as well as to Messrs Abraham & Co. acquainting the Firm as well as the individual Partners that the 3 dishonored Cheques Amounting to Rs. 8872-9-2 have not been in any manner settled since may last, one for Rs. 3000 is dated 25th May another for the same Amount since 29th June and the third 31st May 1877 for Rupees 2872-9-2. These Cheques have disarranged the Bank accounts so that they Cannot be Closed

A sum of Rs 5100 which the Cash keeper says that he has paid for which no document has been received. The whole of this has been paid without my knowledge that it was to be such a transaction as it has turned out I have often requested Mr. Abraham to have it settled by, and appeal to Mr. Abraham who would doubtless assist the Firm rather than that any disgrace should be attached to it For months almost every day I have had the promise from Mr. J. N. Abraham that the whole would be settled in a day, or two which are empty words but pure I cannot pay to, that his own Character and that of the Firm, to which he belongs. I most earnestly for your own sake as well as for mine request that you will look into, and Arrange for an immediate settlement of the various Accounts Connected with the Firm of Abraham & Co. as the Consequences to all parties Concerned must prove very disastrous if not immediately settled. I ought to say a great deal more but I think I have said quite sufficient to Cause and immediate settlement to take place. Please kindly attend to this note and oblige

My dear Mr. Abraham, Unless you can settle your dishonored Cheques (and Cash Amounting to Rs 6100) I only know of Rs. 250 until yesterday evening, today I am afraid that dreadful Consequences will ensue before evening. For your own sake as well as in the Bank, I earnestly beg that you will at any Cost of Pride or shame or expense have the business settled today.

A. Abraham Esq: Messrs: Abraham & Co. 28th September 1877. Folio 437

Dear Sirs, I have been endeavouring to found the Accounts of the Firm to a satisfactory Conclusion for this long time past but Mr. J. N. Abraham at one time promises to settle in a day or so, at another he ignores the debt altogether what am I to do The Cheque so long Owed and if not settled within a day or two a fearful disclosure will show on the surface The following are some of the liabilities of the Firm which must appear. The [illegible] properly signed as it requires your brother Mr. Mathews signature and the interest charged 9 per Cent instead of 9 per Cent another Bond on Discount loan for Rs 5000 irregular and long overdue not renewed frequently asked to be done 2 Govt loan Bonds for Rs. 1000 taken from the Bank knowing it was wrong to do so 3 dishonored Cheques for Rs 8872-9-2 with interest not in any manner settled and which keeps the Oriental Bank in a wrong position. Rs. 5100 taken on the Bank without my permission or knowledge from the Cash keeper besides other things of which I know nothing. Pro note [illegible] ning to Rs. 8900 which have been repeatedly Called for and not in any manner settled. I fear to think of the dreadful

consequences which may ensue after this as all known which will be put at days end this. I beg of you your part to come to a proper understanding about these matters without a days delay. I have paid enough to cause the energy of any man so will pay no more but simply request that you will without delay make enquiries and settle the liabilities put some manner satisfactorily and oblige
